

TO WHOM IT MAY CONCERN:

We, **SC ELECTROALFA SRL**, Manolesti Deal 33, RO 710003, Botosani, Romania hereby attest that ESTRALIN AG from Switzerland delivered the Estralin High Voltage Cables and Accessories for POIANA Project:

Cable line 110 kV 1x 500 mm2	qty 18.6 km
Accessories were outdoor termination and joints	qty 12 pcs

We are satisfied with on-time delivery and high quality of delivered goods and services (Manufacturing Inspections, FAT, Erection) and intend to use ESTRALIN AG or their local Romanian office ESTRALIN Power Systems Srl (Romanian branch who took care of imports and erection on site) as supplier in future as well.

We strongly recommend ESTRALIN as a reliable supplier of HV Cable Systems.

Yours sincerely

Ioan Condurache
