Reference letter

**To: General Director of  
LLC "Estralin PS"**

**Mr. Vetkhov P.S.**

In accordance with the Federal Law signed by the President of the Russian Federation on 28.10.2010, our company MosKabelSetMontazh has successfully constructed the most long in Russia a 500 kV aerial cable line. These works ordered by the Federal Grid Company included the following objects: "Reconstruction of overhead cable line 500 kV Zapadnaya-Ochakovo, construction of 220 kV Ochakovo- Krasnogorskaya, Lykovo-Ochakovo, Ochakovo-Podushkino, Ochakovo-Novovnuково and Ochakovo-Odintsovo".

Estralin PS has plaid a very important role in the line construction. It delivered over 69 km of high voltage cable 500 kV and more than 170 cable accessories manufactured by Suedkabel GmbH (Germany) which is certified by the Grid Company and proving to be a very reliable supplier.

We appreciate your technical support as well, due to construction and accessories installation by the scheduled time.

Estralin guarantees cable and accessories installation quality required by the Grid System – all that is demonstrated by the works performed on this project.

Hereby MosKabelSetNontazh expresses its gratitude hoping to beneficially work together again in the future.

General Director
